

Warranty

RoofTop Accessories will cover under the full system material warranty all costs of repairs and/or replacement of any components of the system against defects in manufacturing for the same period and duration as specified in Division 7 Roofing Warranty. Warranty will not include Acts of God, vandalism, neglect, metal finish, improper spacing or installation, and improper use of supports, including but not limited to, the use of supports for welding stands during construction.

All products sold are subject to the following limited warranty. The product is free from defects in material and workmanship. The pipe support system is capable of supporting the pipes as per installation and design. RoofTop Accessories makes no other representation or warranty of any kind, express or implied, in fact or in law, including without limitation, the warranty or merchantability set forth. Every claim under this warranty shall be deemed waived unless made in writing and received by RoofTop Accessories within thirty (30) days of the date the defect to which the claim relates is discovered or should have been discovered.

Limitations of liability is expressly understood and agreed that the limit of RoofTop Accessories' liability shall be re-supply of like quantity of non-defective product and that RoofTop Accessories shall have no such liability except where the damage or claim results solely from breach of RoofTop Accessories' warranty. RoofTop Accessories shall not be liable for any incidental, consequential or other damages, for any alleged negligence, breach or warranty, strict liability or any other theory, other than the limited liability set forth above.

Maintenance:

Normal maintenance is not required. However, semi-annual inspection by the owner is required as part of the warranty. Inspection shall include checking pipe alignment, weight distribution and improper installation, causing pipe stand damage or failure of the product must be reported in writing with this period.
